SURE-STEP™ INTERLOCKING DECKING SYSTEMS FOR DOCKS

- Environmentally friendly Chevron™ pattern designed for sunlight and water penetration
- Keeps Vegetation alive and minimizes wave force to keep dock stable
- “A cradle to crade product” meets today’s “Going Green” challenge

SURE-STEP™ ADVANTAGE

- Attractive Chevron™ design
- No fault spacing and alignment creates a uniform pattern
- Made from UV resistant virgin polypropylene
- Slip resistant for a safer surface in a marine environment
- Barefoot friendly - surface remains cool
- Three natural colors available
- Available in three sizes

DURABLE

- Resist fading, twisting and warping
- High UV properties keeps dock looking new longer
- No wood fibers to compromise performance
- Strong Chevron™ pattern dissipates heat
- Proven test results by certified labs
- Quality built to ISO 9001 standards

INSTALLATION

- Easy to install
- Light weight interlocking panels
- Minimal waste

AFFORDABLE

- Costs less than other vinyl decking
- High return on investment
- High quality, long lasting, reliable product

MAINTENANCE FREE

- No painting, staining or sealing
- Clean with mild soap and water

LEAVE A LEGACY WITH SURE-STEP™
